# Terms

**IMPORTANT**

## Terms and commercial conditions

- VAT (5%) is charged on all our services in addition to the figures above.
- Monthly tiers are per company. Groups with multiple UAE entities are quoted per entity.
- Transaction counts measure entries posted to the general ledger: sales invoices, supplier invoices, bank-line entries and journal entries. A bank statement with 80 lines counts as 80 transactions.
- "From" anchors are entry-points. The firm fee is set after a 30-minute scoping call and delivered as a fixed quote within 5 working days.
- Government fees, free zone fees, DED fees, bank charges, attestation fees, courier charges and third-party provider fees are excluded unless expressly stated in the proposal.
- Urgent work, historical cleanup, missing records, complex group structures, high transaction volumes or regulator/bank follow-up may require a separate quote.
- All work is subject to client due diligence, document availability, authority processing timelines and applicable UAE/Bahrain laws and regulations.

### Note

This price list is a commercial overview and does not replace a signed engagement letter or formal proposal. RTS will confirm the final scope, deliverables and fee before starting work.

# Ready to discuss your business?

We help founders and companies move from decision to execution: business setup, banking, accounting, tax, compliance, visas and ongoing corporate support.

## Next steps

- Send company details or target service
- Book a 30-minute scoping call
- Receive a fixed quote within 5 working days
- Start with a clear checklist and document plan

## Best for

- Entrepreneurs
- Startups and SMEs
- International investors
- UAE and Bahrain market entry
- Companies needing accounting, tax and compliance support
